Subject: Confirmation of Extension of Term of Data Usage [● HMF – DR 0●● (●-●)]

Dear [● name],

On [● date], on behalf of [● name Licensee] (the **Licensee**) a data access request was submitted to Hartwig Medical Foundation (HMF) in order to obtain access to certain data from HMF's database to use such data for a certain project/research (the **Data Request**). This Data Request was granted and, in accordance with HMF's Rules of Procedure Data Access Requests, a license agreement was entered into by and between HMF and Licensee on [● date] with contract number [● HMF – DR 0●● (●-●)] (the **License Agreement**).

Pursuant to article 4.1 of the License Agreement, the Licensee is entitled to use the Licensed Data (as defined in the License Agreement) for the maximum period of [● one (1) year] as from the signature date of the License Agreement (the **Initial Term**). This Initial Term will expire on [● date] (the **Expiry Date**).

By means of a Request Form for an Extension of the Term of Data Usage (e.g. *Data Request Renewal Form*) dated [● date], the Licensee has requested for an extension of the Initial Term by a period of one (1) year.

This request was assessed by the Board and the Data Access Board of HMF and was approved.

Further hereto, HMF confirms that the Initial Term as set forth in article 4.1 of the License Agreement is hereby extended by a period of one (1) year after the Expiry Date (the **Extended Term**). During the Extended Term, the Licensee is, upon request of the Licensee, entitled to a one-time update of the Licensed Data as provided for in article 4.2 of the License Agreement.

This extension of the Initial Term does not in any way affect any other (material) terms and conditions of the License Agreement. This means, in particular, that the extension only covers the Licensed Data and the use of this Licensed Data for the Project as set forth in the Data Request and the License Agreement. During the Extended Term all (material) terms and conditions of the License Agreement shall remain in full force and effect and shall fully apply to the update of the Licensed Data to which the Licensee may be entitled as set forth in article 4.2 of the License Agreement and this confirmation letter.
